Class of '60 Prophecy

Join us on the rocket, "Sky King" where we meet our guide, Deanne Fear, where she is a flight nurse, she takes us to each classmate and we all continue forward.

Our first stop in New York City, was Broadway, where we saw Judy Albee instructing Rammerstein and Hodges' latest musical dance class. From there it was just a small flight to Carnegie Hall where Patti Doerr was accompanying Connie Yose in the famous opera, "Snow Flight."

Jim Boyt, the talented artist, was dedicating a new world wide art gallery in the heart of New York. For night time entertainment we found ourselves at Madison Square Gardens cheering Monte Thornton on as the "Light Heads" star player. On the sidelines we found Neil Hendricks, sports photographer taking pictures for "Sports Limited."

The dawn finds us boarding the "Sky King" for Chicago for the World's Fair, where Lois Luce is acting secretary for Ron Hacklin, chairman of the World's Fair Committee. Lenora Larson, Editor of World Fashion, was exhibiting her magazine.

Also, at the World's Fair we saw Joyce Chapman exhibiting her latest model of space transportation for Gary Stepp's Space Corporation.

At the World's Championship Football Game we found Bobby Wilson coaching Notre Dame on to victory and Larry Perkins was Notre Dame's Manager.

When we stopped to gas up at Jones' Space Fuel owned and operated by Jerry Jones, we met Jackee McWilliams, Alaska's famous school teacher. Leaving from the station the Class of '60 continued to the large ranch owned and managed by Ward Whitman at Big Piney, Wyoming.

At the ranch we enjoyed barbecued beef prepared by Kathy Sessions and Freda Smith.

This ends our journey and class reunion in the year 2000, and everyone boards the "Sky King" to return happily to his chosen career.

Wills

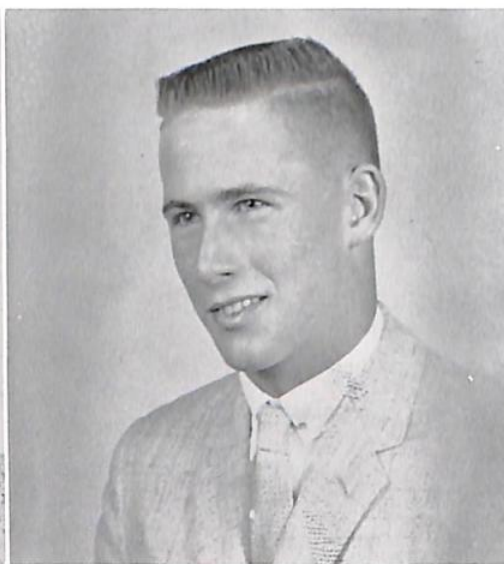

- I, Lois Luce, will the baritone to anyone who can lug the big thing around, and my jobs as Senior Class Secretary and Pep Club VP to those of future years.
- I, Joyce Chapman, will my F. H. A. reporter job to anyone who is sucker enough to take it and my height and grades to Babs Bahem.

- I, Patricia Doerr, will my height to Nancy Budd, my bad grades to anyone who wants them. I will my will to play the piano and my majorette job to the best person next year.
- I, Jackee McWilliams, will my years of math to my sister, Jolene, because I know she needs them. I will my Senior year to Linda Carris. To Corliss Mickleson, I will my ability to antagonize people in band.

- I, Kathy Sessions, being of sound mind at this time will my getting married to anyone lucky enough to find the kind of guy I did. I also will my nickname "Spider Legs" to Arved Gregory knowing he can use it.
- I, Freda Smith, will my good grades to anyone who needs them.

Being of sound mind and body we the Class of '60 sign our last will and testimony of B. P. H. S.

B. P. H. S. BAND MARCHES ON!!

The B. P. H. S. Band has shown remarkable progress during the year. It boasts an enrollment of forty-five students who have shown enthusiasm, interest and above all, quality musicianship. The band is regarded as an integral part of our school schedule, playing for all athletic events and pep assemblies, presenting spring concerts, and affording top-rate students the opportunity of representing our school at district honor concerts.

The band has developed into a good marching band performing at our home football games, and at district festival. Students spend many hours in preparing themselves not only to be good band participants, but also good soloists as well. With this interest and sincerity on each bandsman's part, our band can't help but show musical progress each year.

There has never been a law to enable a man to succeed by the exercise of those qualities which have always been pre-requisites of success - the qualities of hard work, of keen intelligence, and a will to achieve. The students of Big Piney have exemplified these qualities during the past year more than ever before. It is with a sincere hope that the students continue this search for success with the above pre-requisites.

Sincerely,

Clinton Dunning
Superintendent of Schools

Messages From Your Administrators

Congratulations to the graduating class of 1960. You people will now take your place in the world along with those who have preceded you. These are perilous times. We are in the midst of a great cold war; a struggle between the Communist World and the Free World. No matter what you do never lose track of the democratic principles and the American way of life, so that it will always remain for the future generations.
