## Jr. Varsity Cheerleading Try-Outs

This year there were 11 girls that tried out for B-squad cheerleading. As you can see there were many different poses created during this time. Out of the 11 that tried out only 5 were successful.

## Amateur Champions

We were honored to have the Table Tennis Champions from England with us. A couple of local boys had to try their own skills at table tennis. Who knows, they might become the next table tennis champions.

The Winter Sports Club is a comparatively new club in school, but we have had a good deal of activity. Our principal goal is to have fun in outdoor winter sports. All of our activities are on Saturday, so we do not have to be eligible. The highlight of last year was our trip to Beaver Mountain, and we hope to do bigger and better things this year. Let's hope for lots of snow.

## Student Council, 1964-'65

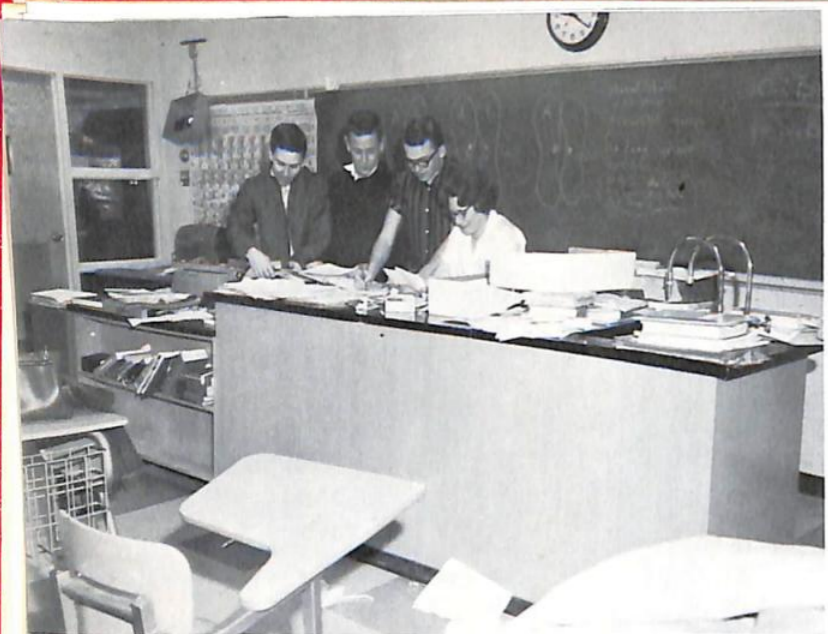

The policy makers who act as the voice of the Student Body to the Administrators and the Board of Education are to be found in the Student Council. Two outstanding events of the year are the Junior Legislative Assembly and the State Of-

ficers Convention, but the major purpose of the Council is to represent all students in the High School in decisions which affect the students themselves, the Administration, and the Board of Education.

The Speech Club this year is aiming toward bettering the speaking ability of its members. We plan to enter as many speech meets as possible and hope to be able to bring some honors back for the school. The club is planning to have many activities to raise some money. We are going to have a slave auction in January, which should be a lot of fun as well as a money maker for the club. The speech club hopes to be able to accomplish much under our new speech teacher this year.

## ANNUAL 1964, 65

This year's annual staff has been one of the most successful in the history of Big Piney High School. For the first time in many years the annual staff will come out money ahead. Attendance at the meetings has been very good compared to past years. Much of the credit for the annual this year must go to our advisors, Mr. Zardus and Mr. Brock. Annual sales have been very good this year and we hope the annual will meet the expectations of the people who have purchased them. May this annual bring you much joy in your future years.

Arden Bradley applies the finishing touches---

## INDUSTRIAL ARTS

Industrial arts is designed to broaden the students knowledge in the field of auto mechanics, mechanical drawing, woodcraft, and blue print reading. Another field they enter and probably the most important is general Shop Safety.

Mechanical drawing is designed to improve the neatness and exactness of a student while working on paper.

Blue print reading is of importance because the student will someday want to buy a house, and he wants to know what he is getting before he gets it.

Wood craft is something which every boy should learn. This is something that he can use for the rest of his life no matter what profession he may choose.

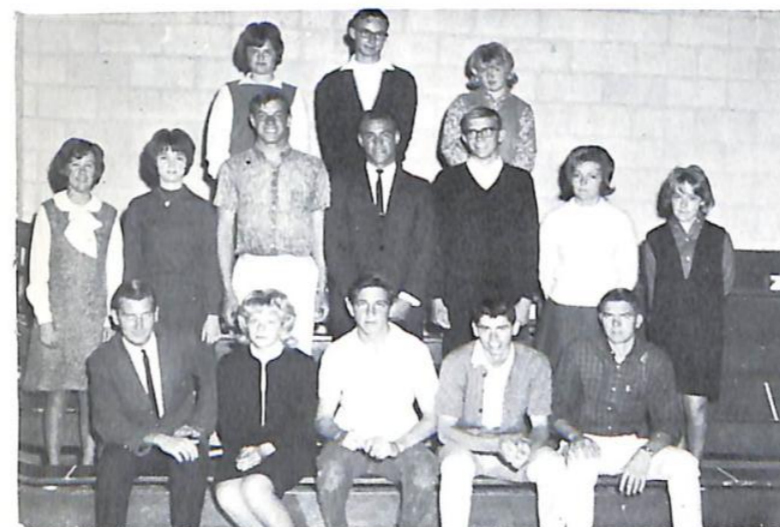

Auto Mechanics familiarizes the student with the different parts of an automobile, and teaches repair of automobiles.

## F.T.A.

The FTA is an organization designed for students who plan to go into teaching. We attended the State Journalism Convention in Laramie. We have planned to teach various subjects in the Grade School and Jr. High. The FTA of this year hopes to stimulate more people to go into the field of teaching.

Top Row C. Ball, T. Johnson, L. Thoman, Second Row S. Chrisman, M. Brelsford, P. Sherbel, J. Hintz, B. Anderson, D. Coon, S. Perdue, Spon. Mr. Custic, C. Wilkerson, S. Orr, P. Kulinsky, R. Thornton.

## PEP CLUB

We feel the Pep Club is a vital part of our school. It not only promotes school spirit but teaches a sense of sportsmanship and fair play. We also hope that the Pep Club has been a contributing factor to the championship teams we have had in the past and hope to have in the future. The pep club helps promote good relations with other schools, which is important. As long as B. P. H. S. has a team, it will always have a Pep Club backing it!

## SCIENCE CLUB

We the mad scientists of BPHS are working on what we feel will be a winning year at the annual Science Fair. Some weird ideas have been proposed, which are presently being worked out. We have some great talent for science and we intend to put it to good use. So far in this year of 1964 we have had a movie, and learned how to work all of the motion picture machines. If someone needs help showing movies ask any Science Club member for help. All the classes are well represented in the club. Well, anyway, at least one person from every class is in the club.

## Paper Staff 1964, 65

The purpose of our Big Piney High School Paper is to inform the students and faculty of the happenings of the school. Two members of the staff attended the Journalism Convention in Laramie in October. Many things on how to put a paper together were found out that were not previously known. We're hoping these things will help us to have a bigger and better paper in the future.

## LETTERMAN'S CLUB

One of the most active organizations in the school is the letterman's club. The major goal of the club is to purchase blazer sport coats for all active members. Although the members of the club were disappointed with the results of football, they are hoping for better results in basketball and track.

## N.H.S.

The National Honor Society is the newest organization in Big Piney High School. National Honor Society is a national organization. Once a member of N.H.S. always a member unless a member misuses his rights and Ideals. Ideals of N.H.S. are to uphold characters, service, citizenship, and high Scholarship. We had complete control over the organization of the Homecoming Parade and arranged for the judges to come and judge the High School floats. Since we are few in number we are anxiously awaiting the time to select some new members. After the selection of new members and their initiation we are off to a successful year for the 1964-65 school year.

With graduation drawing near, and plans for this major event taking shape, we find ourselves to be happy, excited, busy, and sad all in one, and perhaps a trace of fear creeps in as we take the monumental step toward that unknown future which awaits each of us.

## JUNIOR CLASS

We, the best Junior Class ever to beat the steps of Big Piney High School, have embarked on many fun and fund raising activities this year: The annual Easter Breakfast, dances after games, Junior Class Play, "Flight into Danger," Junior Prom (Best ever)

We had the great honor of being the first Junior Class to have the emblem from Herff Jones Company, honoring our school on our class rings.

We will be sorry to see our Junior year end but also glad to become Seniors. We hope we can be as good Seniors as we have been Juniors!!!!!!

### SOPHOMORE CLASS

The Sophomore class consists of 32 students now. When we started the first grade in Big Piney there were 19 of us, 11 of which are still with us. Our population grew immensely when we began high school, due to many of the LaBarge students coming here. There were 8 LaBarge students when we began our Freshman year.

Our grade school teachers, Mrs. Spencer (first grade) Mrs. Cranor, (second grade) Mrs. Bray, (third grade) Mrs. Carr, (fourth

grade) Mrs. Stevens, (fifth grade) Mr. Burnham, (six grade) will remember as "almost" the best class, as of yet, in the Big Piney Grade School!

Then we started the "rat race" of the Jr. High. After two years of that we began the most memorable events of our lives--high school. We have started making our mark as the best class in B.P.H.S. We hope to continue to do so in our future years at Big Piney High School.

## Freshman Class

As the Freshman Class of the "64"- "65" school we started off with a BANG, "Freshman Initiation." At the Homecoming festivities we "sneaked" off with second place, much to the disgust of the Sophomores and Juniors. We hope to give this ole school a run for its money during the years that we are here.

## SUPERINTENDENT'S MESSAGE

Dear Students:

Congratulations to you on another successful school year. It is only through your efforts and co-operation that this annual has reached its final, and complete, form.

The function of the Big Piney School is to work with the home and community in assisting young men and women to reach the highest possible development of their own distinctive aptitudes and adjust these for the happiness of themselves and others.

Best wishes to the Class of 1965!

Sincerely,

R. W. SHEPHERD  
Superintendent of Schools

## PRINCIPAL'S MESSAGE

Dear Students:

Education is morality--morality is education; one cannot exist without the other. The education you receive at Big Piney High School should help you to obtain these moral values, and it should also provide the academic training for your future. How you live with your friends, how you treat them, and in general all phases of your contacts with all humanity should be on a high plane. To be a true person--an educated person--a moral person--you must accept people on all levels of life with due consideration for each. Only then can you say that your moral training--in spite of all academic training--is the moral virtue of all humanity, with emphasis on yourself.

## Senior Wills

I, Linda Garris, will to Kathy Nichols my ability to do certain things without getting caught because I know she needs it. To Diana Near I will all my "Cattle Driving" trips and to Sandy Perdue my Shorthand Class. To everyone in B.P.H.S. I will the fun I have had during my High School years.

I, John Hintz, will my ability in football to Charles Simonton (as if he needs it). To Charlie Orr and "Chad" I will my ability to cause trouble and make noise. My office as President of the Letterman's Club I will to Robin Murdock and my title of Mr. B.P.H.S. to Cary Hays.

I, Greg James, will my ability to get into trouble in Drawing to Robin Murdock as he already has a good start. I will anything else to anyone else crazy enough to accept.

I, Sam Orr, will my ability to get into trouble to Charles Simonton knowing he will probably "goof off" as much in the next four years as I have in the past four. I will my broken down car to Diana Near because she is the only one who ever wanted it. I will my best attributes, which can be summed up in three words; stupidity, forgetfulness, and destructiveness, to Robin Murdock because he will take anything which is free. I will all of the good times I have had to all of the boys knowing they will have as much fun as I did.

I, Randy Thornton, will my ability to miss so much school, because of ranch work, to Bobby Springman. I will my guard position in football to Larry Stillwell, and to Anthony Tomassi I will my Parking Place by Miller's.

I, Dave Morris, being of sound mind (I think) will my hairbrush to John Hintz because he likes it so much. I will my car to whoever likes Fords and will treat it with respect. I will my job at Lowe's to whoever can get out of school at 1:30 to work there. I will my guitar to anyone who can play it.

I, Brad Anderson, being ready and willing to give stuff away, do hereby will my ability to get along with girls to Butch Preston, having observed that he needs a little slowing down; my ability to get along with Mr. Gallemore to Robin Murdock so that the choir people can go to lunch on time for once; my grades I shall will to Nolan Bellon in the event that he gives me a few of his; my ability to argue with Mrs. Crowell to the Sophomores; my confusion in English Literature to any willing Junior; I will my class ring and all its virtues to Don Merback, knowing he deserves what he gets; my Republican attitude to Mr. Custis (may he no longer brainwash his students); finally the honor of being a Senior to the class of "66."

I, Mickey Brelsford, will my good times in choir, my fun on trips and a bunch of other fun to Kathy Nichols because if anyone can enjoy them she can. My title of noisiest I will to Nolan Bellon and to Susan, Diana, Cynthia and Connie I will a lot of fun times even if they are going steady. I will three classes with Mr. Custis to anyone who thinks they can stand him that long.

I, Marcy Whitman, will my good grades in Zoology to my sister Phyllis and my love for cutting up dead cats to Evelyn Vickery in hopes she will enjoy it as much as I did.

I, Melvin Thomas, will my ability to weld to Robert Barnes; my ability to get along with Mr. P. to Bobby Springman; my early morning smile to anyone who will have it. My English I will to some person not needing it.

I, Norma Jean Bleamer, will my first and last year in B.P.H.S. to any new Senior who enters next fall in hopes that he enjoys it as much as I have. To my cousin Evelyn Vickery I will my height to add to what she already has in hopes she will grow tall someday. I will the time I spent in drafting to Annette Scherbel in hopes she makes more use of it than I did. To all the underclassmen I will good old B.P.H.S. so they can take care of it as the class of 1965 has.

I, Carmen David, will my curly red hair to Gary DeGraw; my smile to coach Low; all the fun I've had at B.P.H.S. to all the up-coming Seniors.

I, Don Lewis, will my clip-on ties to Mr. Zardus so he will not have to tie them anymore. What little talent in football I have I will to Steve Morgan. To Kathy M. I will my class ring, Letterman's coat, and kind affection. I will my great Senior year at B.P.H.S. to the up-coming Senior Class.

I, Richard Hinde, leave all my bad grades to Mike, which means all of them.

I, Pauline Phillips, will my good disposition to any person wanting it and my study halls to anyone with nothing better to do.

I, Jacci Scott, being of sound mind and body do hereby will all my "fun" years of school and after school in B.P.H.S. to my sister Glenna. I will my excuses for coming in dizzy to Kathy Nichols, knowing that she can make good use of them. Also to Glenna I will my title of "Squat." I will my ability to sleep in study hall to anyone who wants it.

I, Ken Morgan, being of sound mind and body, and willing to will any willful thing that I own to anyone willing to accept it, but unwilling to will my unwillingness, hereby will my predicament to anyone willing enough to take it.

I, Paul A. Scherbel, will my good times and catty remarks in Band and choir to Robin Murdock; my position on the football team to Denny Lynch, and my fun at Big Piney High School to anyone who will try hard to have fun and good grades.

I, Mike Nugent, will my athletic desire to my brother Pat, knowing he has the size and ability. I will my big mouth to Nolan Bellon because he is so quiet, and last but not least, I will all of my love to Adela.

I, Paul Kulinsky, will all my good times to anyone who wants them. My brownie points I will to Bruce Chadburn.

I, Raymond Willoughby, will my auto mechanics knowledge to Bob Bancroft and English to anyone who will need it. I also will any high school boy who misbehaves in Pinedale a \$100 fine or a 24 hour happy-go-lucky time.

I, Debby Coon, do hereby will my ability to get along with one of the Douglas boys to Kathy Nichols, knowing she will make good use of it. My wild times at the State Speech Meet I will to anyone who thinks he might like to carry on the tradition. I will my engagement ring to Diana Near, confident that she will follow in my footsteps. To Bobby Springman I will all my remaining years in science courses. All my left-over love I leave to Robin Murdock. To Barbara Rhodes I will all the "docs" and jokes I have ever known. My honor of being both the Homecoming Queen and Junior Prom Queen I will to no one since I will find some way to take those with me. The entirety of fun during my high school years I most humbly will to Adela Kulinsky. The honor of belonging to such a wonderful Senior class I am happy to will to the mighty class of "67."

The Homecoming dance was a real success. The "Silver Dollar Four" from Jackson furnished us a fine program of music. The decorations carried out an Autumn theme, and were enjoyed by everyone. Cary Hays and Debbie Coon presided over the dance and, with their attendants, made it one to be long remembered.

We "Licked Em," "Ground Em Up," "Bugged Em," and then after all of that we lost and had to "Toast To the Victors." The parade was one of the best ones we have ever had and the game was still fun. The thrill of competition will be remembered longer than the loss. We get a chance to play the Buffaloes again next year.
