

Green River Valley Museum

Big Piney, Wyoming

Letter to the Community

It has been a great year at our museum! Our visitors numbers increased by 659. For a total of 1,458 people. We enjoyed folks from Israel, United Kingdom, New Mexico, Hawaii and across the United States. It was a season of great memories and fun. Donations increased, and we are continuing to expand our unique Collections and display them in quality settings.

Hard Hats and Stetsons started out our summer with a big bang. It was incredible to see such a great turn out. Thanks to everyone who contributed to our cause of preserving the history of the Green River Valley.

New Changes

A rearing horse proudly displays an eye catching GRVM brand and stands out for all to see. It was a great way for us to stand out to people passing by and to help visitors to find us. We now have a generous collection of Cowboy Hall of Fame memorabilia in our back building. Stop by and see a fantastic Frank Disco marble carving, an old steamer trunk, a Wyoming Jubilee Rifle and other new antiques that are now being added to our displays.

Progress

Three new Kiosk Machines will assist patrons explaining about our artifacts and history. Old photos will be available on a computer in our research center.

Coming Soon

Events to look for: Stepp Family Program April 15th, 2020 Hard Hats & Stetsons, Night at the Movies, Open 4th of July to Patrons, Traveling Museum at the fair and Casino Night. Don't miss out!
